

Date: 2-10-09

Student Name: Adarius Mitchell

Grade: 8th

County: Clarke

State : Ga

Parent Name: Doretha Mitchell-Butts

TESTIMONIAL FROM STUDENT / PARENT:

This program have allowed my son to acquire math skills before they review them in the classroom. It helped him to be able to understand the concept of the math problems beforehand. I feel it was and still is an overall great learning system to help students to learn on their own how to solve problems. It's a good learning assignment when they need to get more help in learning how to work out their math problems.
