

Helping Schools and Students
Achieve Higher Academic Success

Date: May 31, 2009

Student Name: Charlisha Cooper
Grade: 10th
County: Bibb
State : G.A.
Parent Name: Charlie Cooper

TESTIMONIAL FROM STUDENT / PARENT:

Highpoints has helped me in many ways. It has helped me in my classes and learn things that I didn't already know.

Achieve Highpoints has help my daughter to improve her math skills. But no one call when she completed 30 Hours and no one called when she completed 60 Hours. There was no communication and I just thought someone should have called.
