

Helping Schools and Students  
Achieve Higher Academic Success

Date: 5/30/09

Student Name: Curtis Curry

Grade: 7<sup>th</sup>

County: Chatham

State: Georgia

Parent Name: Hattie Curry

**TESTIMONIAL FROM STUDENT / PARENT:**

I appreciate very much the extra help my grandson was given with his math through Achieve High Points. I'm hoping to see great improvements at school. It's a very good program and a great incentive for any student. Curtis is excited about his new computer. Thank you for your help.
