

Helping Schools and Students
Achieve Higher Academic Success

Date: 6/2/08

Student Name: Nathaniel Simmons

Grade: 7

County: Chatham

State: GA

Parent Name: Felicia A Simmons

TESTIMONIAL FROM STUDENT / PARENT:

I found it to be a very helpful program. He was able to work at his own pace & if he became distracted, the alert was good in putting him back on task. The attendance monitor was great. Also, I liked that if he had to stop for whatever the reason, he could pick up where he left off. Thanks for opportunity. I would gladly do it again.
